

## **Assessment 1: Leadership Styles and Organizational Impact**

[Vulnerable to GenA.I. Use]

Write a 1500-word essay analyzing the impact of different leadership styles on employee motivation and productivity in diverse organizational settings. Your essay should:

1. Define and explain at least three different leadership styles (e.g., autocratic, democratic, transformational).
2. Discuss how each leadership style affects employee motivation and productivity.
3. Provide examples of how these leadership styles might manifest in different organizational settings.
4. Conclude with your thoughts on which leadership style is most effective for maximizing employee motivation and productivity.

Use academic sources to support your arguments and cite them using APA format.

Submission: Upload your essay as a PDF to Brightspace by the due date.
